Kelsey Birthday 502

~~It was may 9 which is~~

It was may 9 which it was Kelsey Birthday on may 10 She was so happy She was calling all her friend's to tell them that it's starts at 5:00am to 12:00pm. Her mom and dad were not home they were in New York. But they are not going to be home till may 11. She did not know her mom and dad said ~~know~~ friend's can come over on her Birthday. She forgot all about it. So she was getting the birthday start it. She was making a lot of things. She had pop and popcorn and other things she had music on. It was dark in her hole house. She was having a good time. But the hole house was messed and her mom and dad can't come home. Why is the hole house messed and some of her friend's were there.

No my mom is home bbbao  
Her mom and Dad said that you can  
not have friend's over again. So go in  
your room. But I did not that you  
said. So I don't get to have over on my  
Birthday never again. So she came out  
of her room and said I well never  
~~have~~ do that again. Ok, Call your friends  
and play with them and have fun  
Thank you very much mom and dad  
I love you.
